INSTRUCTIONS

The illustration must be included with your paperwork in order to qualify for Quote Lock.

1. PRODUCT SELECTION

Choose **ONE** annuity product.

2. ANNUITY PLAN TYPE

Select ONE Plan Type. Inherited Non-Qualified, Inherited IRA and Inherited Roth IRA are not available for Joint Life Policies.

3. ANNUITY PREMIUM PAYMENT AMOUNT

The minimum premium amount is \$10,000. No additional premium payments may be made once the policy has been issued.

For policies of \$2 million or more – complete form number ANN18824 which must be approved by an officer of NYLIAC prior to submitting the application.

4. OWNER

For an IRA plan type, the IRA Owner and the Primary Annuitant must be the same. The Owner is responsible for any income tax. For Joint Ownership, see Section 5.

Successor Owner

For Non-Qualified Plan Type (but not Inherited Non-Qualified), if the Owner and Annuitant are different, a Successor Owner may be named to become the new Owner if the Owner dies while an Annuitant is living. Use Section 16 to name a different Successor Owner (give full name, Social Security or Tax I.D. number) or check the box to name the Annuitant as Successor Owner. If you do not name a Successor Owner, the Owner's estate will be the default successor Owner.

For Non-Qualified policies, if you do not designate a Successor Owner, the Owner's Estate becomes the new owner of the Policy when the Owner (last surviving Owner for Joint Owner policies) dies while an Annuitant is living.

Note: If issued as a Qualified Plan, with a Joint Annuitant, the Joint Annuitant, if living, will be the Successor Owner at the death of the IRA Owner.

Use the below chart to select the correct Tax Certification form. Tax Certification forms are required to be submitted prior to the contract being issued.

| Owner Type | W-9 | W-8BEN | W-8BEN-E | Other W8 Forms |
|--|-----|--------|----------|-------------------|
| Non US Citizen w/o Resident Alien US Tax Status | N/A | Yes | N/A | Yes |
| US Entity | Yes | N/A | N/A | N/A |

Other W-8 Forms:

Individual Owners (Non US Citizen and does not have a Resident Alien US Tax Status e.g. Green Card): - use W-8BEN Form except in the following circumstances:

Form W-8ECI – The Owner is claiming that income is effectively connected with the conduct of trade or business within the US (other than personal services).

Form 8233 or Form W-4 – The Owner is a beneficial owner that is receiving compensation for personal services performed in the US.

Form W-8IMY – The Owner is acting as an intermediary.

Entity Owner (Non US Entity) – use W-8BEN-E form except in the following circumstances:

Form W-8ECI – The Owner is claiming that income is effectively connected with the conduct of trade or business within the US (other than personal services).

Form 8233 or Form W-4 – The Owner is a beneficial owner that is receiving compensation for personal services performed in the US.

Form W-8IMY – The Owner is acting as an intermediary.

Form W-8EXP – if the entity is a foreign government, international organization, foreign central bank of issue, foreign tax-exempt organization, foreign private foundation, or government of a US possession receiving a withhold-able payment or receiving a payment subject to chapter 3 withholding.

5. JOINT OWNER

Joint Ownership is available for Non-Qualified Plan Type **ONLY** (but not Inherited Non-Qualified). Please provide information on the Joint Owner.

6. ANNUITANT

Generally, the Owner will be the Annuitant. Complete this section if the Annuitant is not the Owner or Joint Owner.

7. JOINT ANNUITANT

Complete this section only if applying for a Joint Life Policy for the Guaranteed Lifetime Income Annuity II and the Joint Annuitant is not the Owner or Joint Owner. For Roth IRA, Joint Annuitants <u>must</u> be spouses. Not available for Inherited Non-Qualified, Inherited IRA and Inherited Roth IRA Plan Types.

8. PAYEE(S)

The Payee is the individual or legal entity designated to receive the payments. Generally, the Payee will be the Owner. Please note that the Owner is responsible for any income taxes. The Owner may change the Payee at any time.

9. BENEFICIARY DESIGNATION

Do not complete this section if the Life Only Annuity Income Payment Option is selected. For all other income payment options, provide name, relationship to the Owner, date of birth, social security number or tax identification number, and the percentage to be paid to each Beneficiary listed. Use Section 16 to provide email address(es) for the Beneficiary(ies). If the Owner is a Trust, the Primary Beneficiary must be the Trust.

If multiple Primary Beneficiaries are named and one or more of those Beneficiaries does not survive the Owner(s), that Beneficiary's interest is terminated and his/her percentage will be divided proportionately among the remaining Primary Beneficiaries. The same holds true for Contingent Beneficiaries. To avoid this you can designate "Per Stirpes" next to each applicable Beneficiary's name. Per Stirpes allows for each Beneficiary's heirs to receive his/her percentage of any remaining death benefit.

10. DEATH BENEFIT COMMUTATION

If the Life with Installment Refund, Life with Period Certain or Guaranteed Period Income Annuity II is selected, the Beneficiary may be given permission to receive, in one sum, the present value of any Annuity Income Payment(s) remaining after the Annuitant's death. To make this selection, check the box as indicated.

11. REPLACEMENT INFORMATION

Indicate in this section if the Owner has any existing life insurance or annuity policies or if this policy will replace an existing life or annuity policy. **Both replacement questions must be answered.** For Section 1035 Exchanges or 72(h) transactions of Non-Qualified Plan Type, provide the cost basis, check the box marked 1035 Exchange, and complete the 1035 Exchange Form, ANN43263F. For Qualified Plan Types, complete the Qualified Transfer/Direct Rollover Form, ANN43009FNS. Follow state replacement regulations; complete the New York Definition of Replacement, ANN43078 and New York Regulation 60 Kit, ANN43080.

12. ANNUITY INCOME PAYMENT INFORMATION

A payment mode must be chosen. Select either Monthly, Quarterly, Semi-Annually or Annually. To use Direct Deposit for your income payments, complete the Direct Deposit Authorization Form, ANN43108I. Payments will begin one payment period after the Policy Date, unless otherwise indicated. Note: You may change the Annuity Commencement Date shown in the illustration you received. However, changing the Annuity Commencement Date will change the Annuity Income Payment amount shown in the illustration.

Important - The Annuity Commencement Date selected will be, when the processing occurs. Because of NYLIAC's payment processing requirements and, if applicable, the banks processing requirements (in the case of Electronic Funds Transfer (EFT)), you may receive the initial and subsequent Annuity Income Payments later than the scheduled payment date you selected. An Annuity Income Payment scheduled for the 29th, 30th or 31st will be set to the 28th of the month.

13. REDUCTION OF INCOME FOR JOINT ANNUITANT POLICIES

Not available with the Guaranteed Period Income Annuity II. Reduction of Income is only available for the Life Only, Life with Premium Death Benefit and Life with Period Certain Annuity Income options. For Qualified Plan Types with Primary and Secondary Joint Life Policies, the Owner can choose a Joint Life Policy with income payments reduced to 40% - 99% of the income amount following the death of the Primary Annuitant. The payment reduction will only occur if the Primary Annuitant dies while the Secondary Annuitant is still living. If the Secondary Annuitant should pre-decease the Primary Annuitant, 100% of the Annuity Income Payments will continue to the Payee(s) as long as the Primary Annuitant is still living.

For Qualified Joint Life Policies where the Joint Annuitant is a Non-Spouse, generally, IRS regulations require a reduction to survivor income if the IRA Owner's age exceeds that of a non-spousal Joint Annuitant by more than 10 years. The IRA Owner must be the Primary Annuitant and the reduction is available only upon the death of the IRA Owner. See below table for Maximum Allowable Survivor Percentage.

For Non-Qualified Plan Type (but not Inherited Non-Qualified), the Owner can choose a Joint Life Policy with income payments reduced to 40%–99% of the income amount following the death of *either* annuitant.

Note: For Life with Period Certain Policies, any reduction of income applies after the end of the Period Certain, if the Policy is still in effect.

IRS Restriction on Qualified Joint Life Policies Involving a Non-Spouse Annuitant

- 1. The IRS limits the percentage of income that a non-spouse survivor may receive upon the death of the IRA owner. Use the following worksheet and table to determine the maximum percentage of income that a non-spouse survivor can receive.
- 2. For Primary and Secondary Joint Life Policies, if the Joint (Secondary) Annuitant should pre-decease the Primary Annuitant, 100% of the annuity income payments will continue as long as the Primary Annuitant is still living. If the Primary Annuitant should pre-decease the Secondary Annuitant, the annuity income payments will be reduced as long as the Secondary Annuitant is still living.

14. ANNUITY PRODUCT OPTIONS

Please read the payout options carefully and complete either Part A for the Guaranteed Lifetime Income Annuity II or Part B for the Guaranteed Period Income Annuity II. Choose one Annuity Income Payment Option in Part A or enter the applicable information in Part B. The Percent of Premium Death Benefit payout option is not available on qualified plan types. For the Guaranteed Period Income Annuity II, the Owner can choose a benefit period from a minimum of 5 full years to a maximum of 30 full years and any combination of years and months as long as the period selected agrees with the mode of payments selected. For example, with an annual mode, the benefit period could not be 15 years/10 months. This Guaranteed Period is acceptable only with a monthly mode of payment. There are no lifetime guarantees for the Guaranteed Period Income Annuity II.
