

New York Life Premium Plus Variable Annuity Performance Summary

As of June 30, 2024

For policies purchased before June 2, 2003

Performance data quoted represents past performance. Past performance is no guarantee of future results. Due to market volatility, current performance may be lower or higher than the figures shown. The investment return and the Accumulation Value of your policy will fluctuate so that a policy, when surrendered may be worth more or less than the premium payment(s). For current to the most recent month-end performance information, visit www.NewYorkLifeAnnuities.com.

All performance reflects the percentage change for the period shown with capital gains and dividends reinvested and includes an annualized Separate Account expense charge of 1.60% and Fund Company Expenses, but does not include any credit applied. An Annual Policy Service Charge of \$30 is not included in these charges, but will be deducted each year from the policy's Accumulation Value on the policy anniversary and upon surrender if on that date the Accumulation Value is less than \$100,000. The performance shown, therefore, would be slightly lower if your policy's Accumulation Value is less than \$100,000. Charges for any optional riders, if reflected, would reduce the performance shown.

Non-Standardized Performance ("Assuming No Surrender") does not reflect the deduction of Surrender Charges.

Standardized Performance ("Assuming Surrender") reflects the maximum Surrender Charge under the policy. The maximum Surrender Charge for each premium payment is 8%, declining to 4% (2% for single premium policies) by the 8th year after that premium payment has been in the policy, with no surrender charge thereafter.

Withdrawals and surrenders may be taxable transactions, and prior to age 59½, may be subject to a 10% IRS penalty.

The Investment Divisions offered through the New York Life Premium Plus Variable Annuity and described herein are different from mutual funds that may have similar names but are available directly to the general public. Investment results may differ.

Sales of the New York Life Premium Plus Variable Annuity were discontinued. Current policyowners may continue to make additional premium payments, subject to their contract provisions. Existing policies will continue to be serviced.

Historically, certain fees have been assumed or reduced by some of the portfolios. Had these expenses not been assumed or reduced, the total return for these Investment Divisions would have been lower.

New York Life Premium Plus Variable Annuity is a flexible premium deferred variable annuity issued by NYLIAC. Under this policy, we will apply a premium credit to premiums paid in a percentage amount according to the credit rate schedule then in effect. Policies with a premium credit may have higher fees and expenses, and may have longer surrender charge periods than policies that do not provide the credit feature.

New York Life Variable Annuities are long-term retirement products issued by New York Life Insurance and Annuity Corporation ("NYLIAC"), a Delaware Corporation. NYLIFE Securities LLC, Member FINRA/SIPC, a Licensed Insurance Agency, is the wholesale distributor and underwriter for these products.
